

New Security Feature

for

BANKWEST ATM/DEBIT CARD HOLDERS

Fraudulent financial activities around the world are constantly changing. Recently, there has been an increase of stolen card numbers that are being used fraudulently overseas. *BANKWEST* is taking a proactive stance in protecting our customers from fraudulent card usage overseas.

To decrease the likelihood of your card(s) being used fraudulently overseas, we will **allow transactions only in the United States, Canada, and Mexico**. This security feature becomes effective on August 1, 2007

Card Option for Traveling Overseas:

If you are traveling overseas and would like to use your card(s), please contact us at least 48 hours before departing. Simply let us know the dates that you will be traveling and we will authorize your card(s).

Card Option for Frequent Travelers:

If you are a frequent traveler, you may opt out of the overseas restrictions by contacting us. However, please keep in mind that opting out will leave you at risk for unauthorized use of your card.

Please note: if you choose to opt out, you must contact us by July 1, 2007.

BANKWEST is committed to protecting your account(s) while providing you with convenient services. If you have any questions regarding this new security feature, please contact us at 763-477-5231.

Sincerely,
